## **§ 1**

### **Subject of Agreement**

1. **Subject of Agreement:** This General Agreement (which includes its Annexes and the election sheet ("Election Sheet")) governs all transactions the Parties shall enter into for the purchase, sale, delivery and acceptance of electricity, including Options on the purchase, sale, delivery and acceptance of electricity (each such transaction being an "Individual Contract"). All Individual Contracts and this General Agreement shall form a single agreement between the Parties (collectively referred to as the "Agreement"). The provisions of this General Agreement constitute an integral part of each Individual Contract.

2. **Pre-Existing Contracts:** If § 1.2 is specified as applying in the Election Sheet, each transaction between the Parties regarding the purchase, sale, delivery and acceptance of electricity, including Options on such transactions, entered into before the Effective Date but which remain either not yet fully or partially performed by one or both Parties, is deemed to be an Individual Contract under the Agreement.

## **§ 2**

### **Definitions and Construction**

1. **Definitions:** Terms used in the Agreement shall have the meanings set out in Annex 1.

2. **Inconsistencies:** In the event of any inconsistency between the provisions of the Election Sheet and the other provisions of this General Agreement, the Election Sheet shall prevail. In the event of any inconsistency between the terms of an Individual Contract (whether evidenced in a Confirmation or by other means) and the provisions of this General Agreement (including its Election Sheet), the terms of the Individual Contract shall prevail for the purposes of that Individual Contract.

3. **Interpretation:** Headings and titles are for convenience only and do not affect the interpretation of the Agreement.

4. **References to Time:** References to time shall be to Central European Time (CET) or as specified in the Election Sheet.

## **§ 3**

### **Concluding and Confirming Individual Contracts**

1. **Conclusion of Individual Contracts:** Unless otherwise agreed between the Parties, Individual Contracts may be concluded in any form of communication (whether orally or otherwise) and shall be legally binding and enforceable from the time the terms of such Individual Contract are concluded.

2. **Confirmations:** In the event that an Individual Contract is not concluded in written form, both Parties shall be free to confirm, or have confirmed, in writing their understanding of the agreed terms of the Individual Contract (each such written confirmation constituting a "Confirmation"). A written Confirmation shall not constitute a requirement for a legally valid Individual Contract. A Confirmation shall contain the information stipulated in, and shall be substantially in the form of, the applicable confirmation sheet from among those attached to this General Agreement as Annex 2 a - d.

3. **Objections to Confirmations:** Without prejudice to the provisions of §3.2, if a Party receives a Confirmation, it shall promptly review the terms of such Confirmation and if they differ from its understanding of the terms of the applicable Individual Contract notify the other Party of any inconsistency without delay. If both Parties send a Confirmation without delay and their terms contradict, then each such Confirmation shall be deemed to be a notice of objection to the terms of the other Party's Confirmation.

4. **Authorised Persons:** If § 3.4 is specified as applying to a Party in the Election Sheet, Individual Contracts may be negotiated, confirmed and signed on behalf of that Party exclusively by those persons listed by it for such purposes as may be specified in an Annex to this General Agreement. Each Party may unilaterally amend and supplement in writing the list of persons currently authorised to act on its behalf at any time. Such amendments and supplements shall become effective upon their receipt by the other Party.

## § 4

### Primary Obligations For Delivery and Acceptance of Electricity

1. **Delivery and Acceptance:** In accordance with each Individual Contract, the Seller shall Schedule, sell and deliver, or cause to be delivered, and the Buyer shall Schedule, purchase and accept, or cause to be accepted, the Contract Quantity at the Delivery Point; and the Buyer shall pay to the Seller the relevant Contract Price.
2. **Definition of Schedule:** "Schedule" shall mean, as applicable, those actions necessary for a Party to effect its respective delivery or acceptance obligations, which may include nominating, scheduling, notifying, requesting and confirming with the other Party, their respective designated agents and authorised representatives, and the Network Operator, as applicable, the Contract Quantity, Contract Capacity, Delivery Point, Delivery Schedule, Total Supply Period, and any other relevant terms of the Individual Contract in accordance with all applicable rules of the Network Operator and other customary industry practices and procedures.

## § 5

### Primary Obligations for Options

1. **Delivery and Acceptance Pursuant to an Option:** When an Individual Contract provides for the purchase and sale of a physical option to buy electricity (a "Call Option") or to sell electricity (a "Put Option") (each, an "Option"), the seller of the Option (the "Writer") grants to the purchaser of the Option (the "Holder") the right, but not the obligation, by complying with certain designated procedures described below in this § 5, to require each Party to meet its respective obligations under § 4.1 for the delivery and acceptance of electricity in accordance with that respective Individual Contract.
2. **Premium for the Option:** The Holder shall pay the Writer the Premium for the Option on or before the Premium Payment Date (and if no Premium Payment Date is designated in the terms of the Individual Contract, such Premium shall be due and payable on the fifth (5th) Business Day following the day on which the Parties entered into the Individual Contract). If the Option is Exercised, invoicing and payment of the Contract Price for the Contract Quantity shall be in accordance with § 13 (*Invoicing and Payment*) unless otherwise agreed.
3. **Exercise of Option and Deadline:** The Holder of an Option may exercise its rights under the Option (in accordance with § 5.4 (*Notice of Exercise*)) by giving the Writer irrevocable notice of such Exercise during the Exercise Period. Unless otherwise agreed, if, in respect of an Individual Contract no Exercise Deadline is specified in respect of an Option, the Exercise Deadline shall be 10:00 am CET.
4. **Notice of Exercise:** Each notice of Exercise shall be effective upon receipt by the Writer and may be given in writing or verbally, provided that Exercise may not be effected by e-mail and verbal Exercise may not be effected by leaving a message on a voice mail or similar verbal electronic messaging system. In the case of verbal Exercise, the Holder shall promptly confirm the Exercise in writing (including without limitation by facsimile), provided that such written confirmation is not a prerequisite to the validity of verbal Exercise.

## § 6

### Delivery, Measurement, Transmission and Risk

1. **Current/Frequency/Voltages:** Electricity shall be delivered in the current, frequency and voltage applicable at the relevant Delivery Point agreed in the Individual Contract and in accordance with the standards of the Network Operator responsible for the Delivery Point.
2. **Delivery Schedules:** Electricity shall be delivered according to the Delivery Schedules specified in each Individual Contract.
3. **Transfer of Rights of Title:** Delivery shall be effected by making available the Contract Quantity at the Contract Capacity at the Delivery Point. Delivery and receipt of the Contract Quantity, and the transfer from Seller to Buyer of all rights to title free and clear of any adverse claims thereto, shall take place at the Delivery Point.
4. **Measurement of Electricity Deliveries and Receipts:** Each Party is responsible for ensuring that electricity deliveries and receipts are measured or verified by means that can be reasonably evidenced in accordance with the Network Operator's procedures governing the relevant Delivery Point.

5. **Documentation of Actual Deliveries and Receipts:** Upon reasonable request, a Party shall:
- (a) provide to the other Party documentation in its possession or control that evidences Schedules, quantities, deliveries and receipts of electricity for the purposes of determining the cause of any deviations between the terms of an Individual Contract and actual deliveries and receipts of electricity; and
  - (b) use its reasonable and diligent efforts to request and acquire from the Network Operator, and shall share with the requesting Party, any additional documentation necessary to reconcile inconsistencies between Scheduled and actual flows of electricity.
6. **Reimbursement of External Costs:** In the event a Party, at the request of the other Party or to resolve a dispute raised by the other Party, incurs reasonable external expenses in verifying that the other Party has failed to properly perform its obligations under the terms of an Individual Contract, such expenses shall be reimbursed upon demand by the Party that failed to perform.
7. **Seller and Buyer Risks:** Seller shall bear all risks associated with, and shall be responsible for any costs or charges imposed on or associated with Scheduling, transmission and delivery of the Contract Quantity up to the Delivery Point. Buyer shall bear all risks associated with, and shall be responsible for any costs or charges imposed on or associated with acceptance and transmission of, the Contract Quantity at and from the Delivery Point.

## **§ 7** **Non-Performance Due to Force Majeure**

1. **Definition of Force Majeure:** Unless otherwise specified in the Election Sheet, for purposes of the Agreement "**Force Majeure**" means an occurrence beyond the reasonable control of the Party claiming Force Majeure (the "**Claiming Party**") which it could not reasonably have avoided or overcome and which makes it impossible for the Claiming Party to perform its delivery or acceptance obligations, including, but without limitation, due to one or more of the following:
- (a) the failure of communications or computer systems of the relevant Network Operator(s) which prevents the Claiming Party from performing its obligations of delivery or acceptance; or
  - (b) the relevant Network Operator's suspension of delivery or acceptance or its disregard of the Claiming Party's obligations with regard to Scheduling under the Individual Contract.
2. **Release From Delivery and Acceptance Obligations:** If a Party is fully or partly prevented due to Force Majeure from performing its obligations of delivery or acceptance under one or more Individual Contracts and such Party complies with the requirements of § 7.3 (***Notification and Mitigation of Force Majeure***), no breach or default on the part of the Claiming Party shall be deemed to have occurred and it shall be released (and not merely suspended) from those obligations for the period of time and to the extent that such Force Majeure prevents its performance. No obligation to pay damages pursuant to § 8 (***Remedies for Failure to Deliver and Accept***) will accrue to the Claiming Party with respect to those quantities not delivered or received.
3. **Notification and Mitigation of Force Majeure:** The Claiming Party shall as soon as practical after learning of the Force Majeure notify the other Party of the commencement of the Force Majeure and, to the extent then available, provide to it a non-binding estimate of the extent and expected duration of its inability to perform. The Claiming Party shall use all commercially reasonable efforts to mitigate the effects of the Force Majeure and shall, during the continuation of the Force Majeure, provide the other Party with reasonable updates, when and if available, of the extent and expected duration of its inability to perform.
4. **Effects of Force Majeure on Other Party:** In the event, and to the extent, a Seller's delivery obligations are released by Force Majeure, the Buyer's corresponding acceptance and payment obligations shall also be released. In the event and to the extent a Buyer's acceptance obligations are released by Force Majeure, Seller's corresponding delivery obligations shall also be released.

## § 8

### Remedies for Failure to Deliver and Accept

**1. Failure to Deliver:** To the extent that the Party obliged to deliver electricity (the "**Delivering Party**") fails to deliver the Contract Quantity in whole or in part in accordance with the terms of an Individual Contract and such failure is not excused by an event of Force Majeure or the other Party's non-performance, the Delivering Party shall pay the other Party (the "**Accepting Party**") as compensation for damages an amount for such quantity of undelivered electricity equal to the product of:

- (a) the amount, if positive, by which the price, if any, at which the Accepting Party acting in a commercially reasonable manner is or would be able to purchase or otherwise acquire in the market the quantity of undelivered electricity exceeds the Contract Price; and
- (b) the quantity of undelivered electricity.

Such amount shall be increased by any incremental transmission costs and other reasonable and verifiable costs and expenses incurred by the Accepting Party as a result of the Delivering Party's failure.

**2. Failure to Accept:** To the extent that the Accepting Party fails in whole or in part to accept the Contract Quantity in accordance with an Individual Contract and such failure is not excused by an event of Force Majeure or the other Party's non-performance, the Accepting Party shall pay the Delivering Party as compensation for damages an amount for the quantity of non-accepted electricity equal to the product of:

- (a) the amount, if positive, by which the Contract Price exceeds the price at which the Delivering Party is or would be able to sell the quantity of non-accepted electricity in the market acting in a commercially reasonable manner; and
- (b) the quantity of the non-accepted electricity.

Such amount shall be increased by any incremental transmission costs and other reasonable and verifiable costs and expenses incurred by the Delivering Party as a result of the Accepting Party's failure.

**3. Amounts Payable:** Amounts that are due according to this § 8 shall be invoiced and paid in accordance with § 13 (*Invoicing and Payment*).

## § 9

### Suspension of Delivery

In addition to any other rights or remedies available to a Party (the "**Non-Defaulting Party**"), should a Party (the "**Defaulting Party**") default on any payment that is due under the Agreement, or should it or its Credit Support Provider fail to provide, replace or increase the amount of any Performance Assurance required pursuant to the Agreement or any Credit Support Document, the Non-Defaulting Party shall be entitled, no earlier than three (3) Business Days after sending a written notice to the Defaulting Party to immediately cease further deliveries of electricity (and be released (and not merely suspended) from its underlying delivery obligations) under all Individual Contracts until such time as the Non-Defaulting Party, has received either the required collateral or full payment (including all applicable default interest and expenses) of all outstanding amounts owed to the Non-Defaulting Party.

## § 10

### Term and Termination Rights

**1. Term:** This General Agreement shall come into force as of the Effective Date. It may be terminated in accordance with either § 10.2 (*Expiration Date and 30 Day Termination Notice*) or § 10.3 (*Termination for Material Reason*) through § 10.5 (*Definition of Material Reason*).

**2. Expiration Date and 30 Day Termination Notice:** This General Agreement will terminate on the Expiration Date (if one is specified in the Election Sheet) or if no Expiration Date has been specified in the Election Sheet, by a Party by giving the other Party thirty (30) days prior written notice of termination (in both cases "**Ordinary Termination**"). In the event of Ordinary Termination, the General Agreement shall remain

legally binding on the Parties until, but only in respect of, all rights and obligations already created or existing under the Agreement prior to the date of the Ordinary Termination are fully performed by both Parties.

### 3. Termination for Material Reason:

- (a) If a Material Reason (as defined below) with respect to a Party has occurred and is continuing, the other Party (the "**Terminating Party**") may terminate the Agreement ("**Early Termination**") by giving the other Party notice. A notice of Early Termination may be given by telephone if that notice is confirmed in writing within two (2) Business Days.
- (b) A notice of Early Termination shall specify the relevant Material Reason for the Early Termination and shall designate a day as an early termination date (the "**Early Termination Date**"). The Early Termination Date may not be earlier than the day the notice is deemed to have been received under the Agreement nor later than twenty (20) days after such day. With effect from the Early Termination Date all further payments and performance in respect of all Individual Contracts shall be released (and not merely suspended) and existing duties and obligations of the Parties shall be replaced by the obligation of one Party to pay damages for non-fulfilment to the other Party in an amount (if any) calculated in accordance with § 11.1 (the "**Termination Amount**").
- (c) If notice designating an Early Termination Date is given, the Early Termination Date shall occur on the date so designated even if the applicable Material Reason is no longer continuing. On, or as soon as practicable after, the Early Termination Date, the Terminating Party shall calculate in a commercially reasonable manner, and shall notify the other Party of, the Termination Amount (if any) to be received or paid by it deriving from aggregating all Settlement Amounts as stipulated in § 11 (*Calculation of the Termination Amount*).
- (d) The Termination Amount shall be payable by the relevant Party to the other Party within three (3) Business Days of its notification by the Terminating Party.
- (e) The Terminating Party may take into account any Performance Assurance or credit support available pursuant to the Agreement or any Credit Support Document.
- (f) The right to designate an Early Termination Date under this § 10.3 (*Termination for Material Reason*) is in addition to any other remedies available under the Agreement or at law.

4. **Automatic Termination:** If "**Automatic Termination**" is specified as applying to a Party in the Election Sheet, and upon the occurrence of a Material Reason described in § 10.5(c) (*Winding-up/Insolvency/Attachment*), the Terminating Party need not send that Party any notice of the designation of an Early Termination Date and the Early Termination Date in such event shall be as specified in the Election Sheet. Except as provided in this § 10.4, Early Termination by virtue of operation of Automatic Termination shall be as provided in § 10.3 (*Termination for Material Reason*).

5. **Definition of Material Reason:** The Agreement may be terminated at any time for one or more of the following reasons (each, a "**Material Reason**"):

- (a) **Non Performance:** The failure of a Party or its Credit Support Provider, when required, to make a payment, to deliver any Performance Assurance or to perform any other material obligation (other than when such obligation is released pursuant to § 7 (*Non-Performance Due to Force Majeure*)):
  - (i) under the Agreement; provided, that in the case of a failure to pay, such failure is not cured within two (2) Business Days of a written demand, or, in the case of any other failure of performance, such failure is not cured within ten (10) Business Days of a written demand;
  - (ii) under any Credit Support Document (after giving effect to any applicable notice or grace period thereunder); or
  - (iii) under any Performance Assurance in accordance with § 17 (*Performance Assurance*).

- (b) **Cross Default and Acceleration:** Unless otherwise specified in the Election Sheet,
- (i) any payment default under any Specified Indebtedness with an aggregate outstanding principal balance equal to three percent (3%) of the Tangible Net Worth of such (aa) Party's, or (b) such Party's Credit Support Provider (if such Party has a Credit Support Provider) or (cc) such Party's Controlling Party (if such Party does not have a Credit Support Provider but has a Controlling Party ), as the case may be, as of the date of the default, or
  - (ii) the failure of a Party or its Credit Support Provider or Controlling Party to make one or more payments in an aggregate amount (individually or collectively) of not less than the Threshold Amount specified in the Election Sheet for that Party under such agreements or instruments entered into between such Parties or their Affiliates (after giving effect to any applicable notice requirement or grace period).
- (c) **Winding-up/Insolvency/Attachment:** A Party or its Credit Support Provider:
- (i) is dissolved (other than pursuant to a consolidation, amalgamation or merger);
  - (ii) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due;
  - (iii) makes a general assignment, arrangement or composition with or for the benefit of its creditors;
  - (iv) institutes or has instituted against it a proceeding seeking a judgement of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation and, if specified in the Election Sheet, is not withdrawn, dismissed, discharged, stayed or restrained within such period as specified in the Election Sheet;
  - (v) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger);
  - (vi) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets;
  - (vii) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets;
  - (viii) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (i) to (vii) (inclusive); or
  - (ix) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts referred to in this § 10.5(c).
- (d) **Failure to Deliver or Accept:** If specified as applying in the Election Sheet, the failure of a Party to comply with its obligation to deliver or accept electricity under an Individual Contract, (other than, when such obligation is released pursuant to §7 (*Non-Performance Due to Force Majeure*)) for more than seven (7) consecutive days or for more than seven (7) days in aggregate within a period of sixty (60) days.
- (e) **Force Majeure:** A Party is released from its obligations under the Agreement due to Force Majeure for more than thirty (30) consecutive days or for more than sixty (60) days in aggregate within a period of one calendar year.
- (f) **Representation or Warranty:** A representation or warranty when made or repeated or deemed to have been made, repeated by a Party to this General Agreement or an Individual

Contract or its Credit Support Provider in a Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated.

Unless otherwise specified in the Election Sheet, the above Material Reasons shall constitute the exclusive reasons for Early Termination under this § 10.

## **§ 11**

### **Calculation of the Termination Amount**

**1. Termination Amount:** The Terminating Party shall calculate an amount (the "**Termination Amount**") to be paid in accordance with § 10.3 (*Termination for Material Reasons*) and § 10.4 (*Automatic Termination*) by calculating the sum (whether positive or negative) of all Settlement Amounts for all Individual Contracts plus any or all other amounts payable between the Parties under or in connection with the Agreement.

**2. Settlement Amount:** The "**Settlement Amount**" for an Individual Contract shall be the Gains less the aggregate of the Losses and Costs which the Terminating Party incurs as a result of the termination of the Individual Contract. For the purpose of this provision:

- (a) "**Costs**" means brokerage fees, commissions and other third party costs and expenses reasonably incurred by the Terminating Party either in terminating any arrangement pursuant to which it has hedged its obligation or entering into new arrangements which replace a terminated Individual Contract and all reasonable legal fees, costs and expenses incurred by the Terminating Party in connection with its termination of such Individual Contract;
- (b) "**Gains**" means an amount equal to the present value of the economic benefit to the Terminating Party, if any (exclusive of Costs), resulting from the termination of an Individual Contract, determined in a commercially reasonable manner; and
- (c) "**Losses**" means an amount equal to the present value of the economic loss to the Terminating Party, if any (exclusive of Costs), resulting from its termination of an Individual Contract, determined in a commercially reasonable manner.

In calculating the Settlement Amounts, the Terminating Party may, but is not obliged, to calculate its Gains and Losses as at the Early Termination Date, at its discretion, without entering into any replacement transactions.

## **§ 12**

### **Limitation of Liability**

**1. Application of Limitation:** This § 12 will apply unless otherwise specified by the Parties in the Election Sheet.

**2. Exclusion of Liability:** Subject to §§ 12.3 and 12.4 and except in respect of any amounts payable under § 8 (*Remedies for Failure to Deliver and Accept*) or § 10.3 (*Termination for Material Reason*), a Party and its employees, officers, contractors and/or agents, are not liable to the other Party for any loss, cost, expense or damages ("**Damages**"), (including, without limitation, any liability due to the irregularities in the supply of electricity under an Individual Contract) incurred by the other Party under or in connection with the Agreement, except where such Damages are due to gross negligence, intentional default or fraud of a Party or its employees, officers, contractors and/or agents used by such Party in performing its obligations under the Agreement.

**3. Consequential Damage and Limitation of Liability:** Subject to § 12.4, the liability of a Party under or in connection with this Agreement:

- (a) does not include liability for any indirect and/or consequential Damages, including, without limitation, loss of profit, goodwill, business opportunity or anticipated saving; and
- (b) is limited to an amount equal to the amounts payable for electricity supplied or to be supplied by a Party under any relevant Individual Contract provided that such limitation shall not apply to payments under § 8 (*Remedies for Failure to Deliver and Accept*) and § 11 (*Calculation of the Termination Amount*).

**4. Intentional Default, Fraud and Fundamental Rights:** Nothing in the Agreement operates to exclude or limit a Party's liability for:

- (a) intentional default,
- (b) fraud; or
- (c) any action which endangers the fundamental legal rights of a Party or which violates a Party's fundamental contractual obligations ("*Kardinalspflichten*").

**5. Duty to Mitigate Losses:** For the avoidance of doubt, and subject to applicable law, each Party agrees that it has a duty to mitigate its Damages and covenants that it will use commercially reasonable efforts to minimise any Damages it may incur under or in connection with the Agreement.

## **§ 13** **Invoicing and Payment**

**1. Invoice:** Each Party who is a Seller of electricity in an Individual Contract shall transmit to the other Party in the course of the calendar month following a delivery of electricity according to the Delivery Schedule for the previous month an invoice setting forth the total quantities of electricity that were sold by it under Individual Contracts in the previous calendar month. In connection with such invoice the Party may state all amounts then owed between the Parties pursuant to the Individual Contracts including, without limitation, all amounts owed for the purchase and sale of electricity, fees, charges, reimbursements, damages, interest, and other payments or credits owed between the Parties and, if applicable, any net amount due for payment pursuant to § 13.3 (*Payment Netting*). Invoicing of Premiums due under an Individual Contract for Options shall be as agreed by the Parties in the Individual Contracts.

**2. Payment:** On or before the later to occur of (a) the twentieth (20th) day of the calendar month or if not a Business Day the immediately following Business Day or (b) the fifth (5th) Business Day following receipt of an invoice (the "**Due Date**"), a Party owing an invoiced amount shall pay, by wire transfer in freely available funds, the amount set forth on such invoice to the payment address or bank account provided by the other Party as specified in the Election Sheet. Such payment shall be made, unless otherwise agreed, in EURO, and subject to § 14 (*VAT and Other Taxes*) without deduction or withholding and the remitter shall pay its own bank charges. Notwithstanding the foregoing, the Due Date for payment of a Premium under an Individual Contract for Options shall be the Premium Payment Date specified in the Individual Contract.

**3. Payment Netting:** If this § 13.3 is specified as applying in the Election Sheet, if on any day the Parties are each required to pay one or more amounts in the same currency (for which purpose all EURO currencies shall be considered a single currency) under one or more Individual Contracts then such amounts with respect to each Party shall be aggregated and the Parties shall discharge their respective payment obligations through netting, in which case the Party, if any, owing the greater aggregate amount shall pay the other Party the difference between the amounts owed.

**4. Invoicing and Payment of Scheduled Contract Quantities:** Invoicing and payment shall be based on Scheduled Contract Quantities in accordance with all applicable Delivery Schedules for the respective month. When and if data becomes available confirming that the actual quantities of electricity delivered and received differs from that set out in the Delivery Schedules, invoicing and payment will be adjusted to reflect any deviations between the Contract Quantities and actual deliveries.

**5. Default Interest:** Overdue payments shall accrue interest from, and including, the Due Date to, but excluding, the date of payment, at the Interest Rate. For this purpose the "**Interest Rate**" shall be the rate of interest specified in the Election Sheet.

**6. Disputed Amounts:** If a Party, in good faith, disputes the accuracy of an invoice, it shall on or before the Due Date provide a written explanation of the basis for the dispute and shall pay:

- (a) if this § 13.6(a) is specified as applying in the Election Sheet, the full amount invoiced no later than the Due Date. If any amount paid under dispute is finally determined to have not been due, such overpayment shall, at the election of the owed Party, be credited or returned to it within ten (10) days of such determination, along with interest accrued at the Interest Rate from, and including, the date such amount was paid, to the other Party, but excluding, the date

returned or credited; or

- (b) if this § 13.6 (b) is specified as applying in the Election Sheet, the undisputed amount invoiced no later than the Due Date. If any amount withheld under dispute is finally determined to have been due, such withheld amount shall, at the election of the owed Party, be credited or returned to it within ten (10) days of such determination, along with interest accrued at the Interest Rate from, and including, the date such amount was due, to the other Party, but excluding, the date paid or credited.

## **§ 14** **VAT and Taxes**

**1. VAT:** All amounts referred to in this General Agreement are exclusive of any applicable value added tax ("VAT"). If VAT is payable on any such amounts, the Buyer shall pay to the Seller an amount equal to the VAT at the rate applicable. An amount equal to VAT payable by a Party shall only be required to be paid once the other Party provides it with a valid VAT invoice in relation to that amount. Each Party shall to the extent permitted by law provide the other with any additional valid VAT invoices as required for the purposes of the Agreement.

**2. Seller's and Buyer's Tax Obligation:** The Seller shall pay or cause to be paid all Tax on or with respect to the Contract Quantity or an Individual Contract arising before the transfer of risk and title at the Delivery Point. The Buyer shall pay or cause to be paid all Tax on or with respect to the Contract Quantity or an Individual Contract arising at or after the transfer of risk and title at the Delivery Point (other than direct or indirect Tax which are related to the sale of the Contract Quantity and are liabilities of the Seller). In the event that the Seller is required by law to pay any Tax which is properly for the account of the Buyer, the Buyer shall promptly indemnify or reimburse the Seller in respect of such Tax. In the event that the Buyer is required by law to pay any Tax which is properly for the account of the Seller, the Buyer may deduct the amount of any such Tax from the sums due to the Seller under the Agreement and the Seller shall promptly indemnify or reimburse the Buyer in respect of any such Tax not so deducted. If any new Tax becomes applicable or an existing Tax is increased in respect of an Individual Contract and the Buyer is able to pass the same through to a third party, the Buyer shall be responsible for such new or increased Tax.

**3. Withholding Tax:** If this § 14.3 is specified as applying in the Election Sheet, the following shall apply between the Parties:

- (a) **Payments Free and Clear:** All payments under an Individual Contract shall be made without any withholding of or deduction for or on account of any Tax unless such withholding or deduction is required by law. If a Party is so required to withhold or deduct Tax from a payment to be made by it, then that Party ("**Paying Party**") shall notify the other Party ("**Receiving Party**") immediately of such requirement and pay to the appropriate authorities all amounts withheld or deducted by it. If a receipt or other evidence can be issued evidencing the payment to the authorities, the Paying Party shall deliver such evidence (or a certified copy thereof) to the Receiving Party.
- (b) **Grossing-Up:** The Paying Party shall increase the amount of any payment which is required to be made subject to a withholding or deduction to the extent necessary to ensure that, after the making of the required withholding or deduction, the Receiving Party receives the same amount it would have received had no such withholding or deduction been made or required to be made, except that no increase shall be made in respect of any Tax:
- (i) which would not have been imposed but for a connection between the Receiving Party and the jurisdiction of the authority imposing the Tax (including, without limitation, a connection arising from the Receiving Party having or having had a permanent establishment or other fixed place of business in that jurisdiction, or having been present or engaged in business in that jurisdiction) other than the mere execution or delivery of this General Agreement, any Confirmation or any Credit Support Document; or
- (ii) which could have been avoided but for the failure by the Receiving Party to deliver to the Paying Party or to the appropriate authority as reasonably requested by the Paying

Party, any declaration, certificate, or other documents specified in the Cross Border Annex in a form reasonably satisfactory to the Paying Party; or

- (iii) which would not have been imposed but for any representation made by the Receiving Party (as the Party to be paid for the purposes of § 21.1(k)) failing or ceasing to be true and accurate provided that this paragraph (iii) shall not apply (and the Receiving Party shall be obliged to increase the amount of any payment pursuant to this § 14.3(b)) if such representation has failed or ceased to be true and accurate by reason of:
  - (aa) any change in, or in the application or interpretation, of any relevant law, enactment, directive, or published practice of any relevant Tax authority being a change occurring on or after the date on which the relevant Individual Contract is entered into; or
  - (bb) any action taken by a Tax authority, or brought in a court of competent jurisdiction, on or after the date on which the relevant Individual Contract is entered into.

**4. Minimisation of Taxes:** Both Parties shall use reasonable efforts to administer the Agreement and to implement its provisions in accordance with the intent to minimise, where reasonable and possible, the accrual of Tax payment obligations.

## **§ 15**

### **Floating Prices and Fallback Procedure for Market Disruption**

**1. Calculation of Floating Contract Prices:** In the event the Contract Price is based on an index, exchange or any other kind of variable reference price (such price being a "**Floating Price**") the Contract Price shall be determined on the Settlement Date at the Settlement Price as specified in the applicable Individual Contract. The Settlement Price shall be determined in accordance with the Calculation Method on the Calculation Date as specified in the Individual Contract. The Calculation Date is the date specified as such in the Individual Contract on which the Settlement Price for the specific delivery is determined. The Calculation Agent shall provide prompt notice of the Settlement Price determined as well as the amount to be paid on the Due Date. Payment shall be made pursuant to § 13 (***Invoicing and Payment***).

**2. Market Disruption:** Upon the occurrence of a Market Disruption Event as specified in § 15.4 (***Definition of Market Disruption Event***), the Calculation Agent shall determine an alternative price to which the relevant Individual Contract shall be settled (the "**Alternative Settlement Price**") according to the applicable Fallback Mechanism contained in the provisions of § 15.3 (***Fallback Mechanism***). In the event of a Market Disruption Event, the order of succession of §15.3 from (a) to (c) shall be binding upon the Calculation Agent. The Calculation Agent can only use the next following Fallback Mechanism provision if the previous Fallback Mechanism provision is not available due to a Market Disruption Event or otherwise as provided in §15.3, as applicable.

**3. Fallback Mechanism:** In the event of a Market Disruption Event the Calculation Agent shall determine the Alternative Settlement Price according to the following procedure (each a "**Fallback Mechanism**"):

- (a) **Fallback Reference Price:** The Calculation Agent shall determine the Alternative Settlement Price based upon the price for that Calculation Date of the first Alternate Commodity Reference Price, if any, specified in the applicable Individual Contract and which is not itself subject to a Market Disruption Event; if an Alternate Commodity Reference Price has not been agreed on in the Individual Contract, the next applicable Fallback Mechanism shall apply for the relevant Individual Contract;
- (b) **Negotiated Fallback:** Each Party shall promptly negotiate in good faith to agree with the other on an Alternative Settlement Price (or a method for determining the Alternative Settlement Price), and, if the Parties have not so agreed on or before the fifth (5th) Business Day following the first Calculation Date on which the Market Disruption Event existed, the next applicable Fallback Mechanism shall apply;

- (c) **Dealer Fallback:** On or after six (6) Business Days following the first Calculation Date on which the Market Disruption Event occurred or existed, the Parties shall promptly and jointly agree upon three independent leading participants in the relevant market ("**Dealers**") selected in good faith from among participants of the highest credit standing which satisfy all the criteria that the Parties apply generally in deciding whether to offer or to make an extension of credit or to enter into a transaction comparable to the Individual Contract that is affected by the Market Disruption Event. The Dealers shall be appointed to make a determination of the Alternative Settlement Price taking into consideration the latest available quotation for the relevant commodity reference price and any other information that in good faith is deemed relevant. The Alternative Settlement Price shall be the arithmetic mean of the three amounts determined to be the Alternative Settlement Price by each Dealer, in which case the calculation shall be binding and conclusive in the absence of manifest error.

**4. Definition of Market Disruption Event:** "Market Disruption Event" under this § 15 shall mean the events stipulated under § 15.4 (a) through (f) (the existence of which shall be determined in a commercially reasonable manner by the Calculation Agent). For purposes of this § 15.4, "**Price Source**" shall mean any institution determining and publishing the price for a relevant commodity (a "**Commodity Reference Price**") including exchanges trading in any relevant future contracts or commodities on which the Floating Price is based.

- (a) the failure of any relevant Price Source to announce or publish information necessary for determining the Commodity Reference Price;
- (b) the temporary or permanent objective unavailability of any relevant Commodity Reference Price;
- (c) a temporary or permanent closing of the Price Source of any relevant Commodity Reference Price;
- (d) the discontinuance or suspension of, or the imposition of a material limitation on, trading in any relevant futures contract or commodity offered by the relevant exchange for the Commodity Reference Price;
- (e) the occurrence since the date such Individual Contract was entered into of a material change in the details of the composition of or specifications for any relevant commodity or Commodity Reference Price (i) which are entered into or incorporated in any relevant futures contract or offered by the relevant exchange or (ii) which are used by any other relevant institution for determining the Commodity Reference Price in compiling the price information necessary for determining such Floating Price; or
- (f) the occurrence since the commencement of the relevant Individual Contract of a material change in the method of calculation used for any relevant Commodity Reference Price to determine the price information necessary for determining such floating price.

**5. Calculation Agent:** Unless the Parties otherwise specify in the Election Sheet or in the relevant Individual Contract, the Seller shall be the Calculation Agent.

## **§ 16** **Guarantees and Credit Support**

To address each Party's risk relating to the creditworthiness of the other Party, and to secure the prompt fulfilment of all obligations resulting from this General Agreement and Individual Contracts, the Parties may agree, on or at any time after the Effective Date, or at the time of the concluding of each Individual Contract, upon the circumstances in which Credit Support Documents may be required to be provided for the benefit of a Party, including, the form of Credit Support Documents, the amount of credit support, and the identity of one or more acceptable Credit Support Providers.
